

Coming to terms with the loss of a loved one is something we all experience at some stage in our lives. As well as coping with the grief there is the additional burden of arranging refreshments for family and friends at short notice

The **Concorde Club** has vast experience in providing catering and facilities for funeral receptions and wakes

Located a short distance from Southampton Crematorium the Concorde offers a sympathetic venue and discreet staff whatever your requirements

From a simple buffet to a full wake or just somewhere to reflect with family and friends we will endeavour to provide a fitting occasion to ensure that your loved one will be remembered with dignity, but without the fuss and formality

If you would like to share special memories with your guests the Club offers the facility to project photos via CD, DVD, PowerPoint or Video on to a screen at no extra charge. We also offer the facility to play any special CDs and have a grand piano available for professional musical interludes (small charge)

Our in house Florist can assist with floral tributes
